

The SQLab grip series is free from the following pollutants:

- PAH - Polycyclic Aromatic Hydrocarbons (18 pcs. Total)
- Phthalates + Propylheptyphtalates:
- Nonylphenol (NP):
- Cadmium
- Mercury
- Short-chain Chlorinated Paraffins
- Flame retardant PBB (polybrominated biphenyls) / PBDE (polybrominated diphenyl ethers)
- Bisphenol A (BPA)
- Azo dye
- Pentachlorophenol (PCP)
- Chromium (VI)

Furthermore, are the grips 702, 710, 711 and 70X latex free because the thermoplastic elastomers (TPE) used are not based on natural latex.
